As the unofficial colors of summer, red, white and blue have come to symbolize Fourth of July, fireworks, cookouts, days by the pool and a little childish fun. The days are the longest, the nights are the shortest, and time spent outside with the family is treasured. From candles to cushions, these accessories scream summer and are meant to be adored in the lazy, hazy days of the season.

KEEP IT COOL: Perfect for a six-pack of whatever floats your boat, keep your beverage of choice ice cold with this red metal bucket. 8 inches tall. \$12.99. **HomeGoods.** 351 Loucks Road. West Manchester Township. **HomeGoods.com.**

READY FOR THE FOURTH: Nothing says the holiday is here like some fireworks. If you're not quite ready for the real thing, use these faux fireworks to add some sparkle to your table. Glitter Dynamite Decor: \$35, \$40 and \$45 each. 6.5 inches to 8 inches tall. **Pier 1 Imports** 422 Eisenhower Drive, Hanover. **Pier1.com.**

REDRESS FOR THE HOLIDAYS: Add some red, white and blue to your everyday patio furniture without breaking the budget. Shown in tomato and cobalt blue, \$30 each. Cobalt stripe, \$35. Matching cabana pillows also are available for \$20 each. **Pier 1 Imports.**

BY CANDLELIGHT: For nights spent outside drinking a glass of sangria or lemonade, these giant candlesticks work great with a couple of pillar candles to light up the night. 21 inches tall. \$14.99 each. **HomeGoods.**

KEEP THE BUGS AT BAY: With votives made with 3 percent citronella, you can prevent bug bites in style. These metal-and-glass votive holders can be reused once the original candles are gone. Refill with more citronella candles, or in the off-season, use regular-scented votives. \$7.99 for three. **HomeGoods.**
